SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK  
ON LICENSE 05-050096370

REF: 2006 BLUE LANTERN GUIDEBOOK

11. This is an Action Request. See paragraphs 2-4.

12. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 05-050096370 for the export of F-5 spare parts to Singapore. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

13. Reason for request: Questions regarding the actual end use of items on license and unfamiliar foreign intermediate consignee, Schenker Singapore (PTE) Limited.

14. ACTION: Embassy is requested to make inquiries with appropriate Republic of Singapore Air Force officials to determine its receipt of defense articles listed below and that end use is consistent with purpose stated on license. Department also requests that Embassy conduct a site visit to Schenker Singapore (PTE) Limited in order to assess its business operations, on-site security, and general reliability as a recipient of United States Munitions List (USML) items. The following questions are offered as suggested guidance with officials of Schenker Singapore (PTE) Limited:

- Can the company provide documentation from the Republic of Singapore Air Force (e.g. purchase order, contract, or letter of intent) establishing it as the final end user of these items?
- Does the company keep proper, detailed records of its sales and customers?
- Does the company understand the restrictions on United States Munitions List (USML) articles, particularly regarding re-export and retransfer?
- What is the company's exact role in these transactions?
- Who are the company's main clients?

If a site visit is not possible, please inform the PM/DTCC case officer listed in paragraph six.

End Action.
